Employment Corona Virus Update

Dear Clients and Associates

Our team are ensuring that we get as much useful information as we can to all of our clients and associates. Below are the links to useful PDF documents on our website, in order to assist you with HR issues during the Coronavirus outbreak.

<https://www.peninsulagrouplimited.com/covid-19-toolkit/>

Our friends at Peninsula have provided these and are generously offering to answer some ad hoc questions for Guryel & Co clients and prospective clients FREE OF CHARGE, due to our long term relationship with Peninsula.

For questions regarding employment issues please contact Steve Baskett, Business Consultant, 07814585014. Steve will be delighted to assist.

The HMRC website is also being constantly updated with the special measures being introduced.
